4 - What are the best aspects of teaching that you experienced by Elise Allen?

Response Rate	23/37 (62.16%)

• Does not drag out the lesson

• She puts subjects across in a manner that's easy to understand, and uses humour occasionally that helps draw the attention back to the subject making it more interesting.

• Some of the ways that Elise conveys information are unique and peaks the classes interest, making somewhat boring or difficult topics, easier to understand.

• Always organized and enthusiastic

• Helpful, Straight to the point, Easy to understand

• She speaks really well and the lessons are well structured. The subjects being taught aren't inherently interesting but she holds my attention and makes the topics interesting.

• Each class is well structured and easy to follow. The lessons are interesting and taught in a slightly different way each time.

• She is enthusiastic and makes me want to learn about what she is teaching.

• Enthusiastic and gets you inspired and thinking

• the overall experience is the same. I do not have a particular best aspect that i experience.

• approachable with a willingness to help every achieve their best

• I'm not sure if it's intentional at all, but she has a really unique pattern to the tone of her voice when she's speaking. It makes it really difficult to zone out when she's talking, you're forced to pay attention which has definitely helped me when I would have otherwise zoned out to catch an important piece of information.

• Very good at explaining concepts clearly to her class in an interesting way, that helps her students understand what they need to be doing and how to apply the concepts she is teaching.

• very motivated and motivates everyone else very approachable if you are stuck

• The enthusiasm and organisation

• Elise has clear structure to their classes and each of them build on top of previous ones.

• Makes topics more interesting by using examples and stories. Upbeat and engaging.

• Highly engaging They keep the class going at a steady pace that isnt too jarring while making sure all the course material is covered.

• Her passion comes through in her teaching

• That even though it is a very boring subject and hard to get into, she makes it more enjoyable

• .

• Talks well, and Explained things Throughly

• makes me feel like I need to participate and be involved without making me feel forced to do something.
